## Agenda

### Thailand 2<sup>nd</sup> ACPE Forum 2025

### “Disaster Insights: Lessons Learned from Recent Earthquake Impacts on Engineering Works in ASEAN”

27 June 2025 | 01:00 – 04:30 P.M. (GMT+7)

Online via Zoom Meeting

---

- 12:45 – 01:00 P.M.      **Virtual Room Open for Signing In**  
MC: Ms. Nahatai Chaikla  
Foreign Affairs Consultant, Council of Engineers, Thailand
- 01:00 – 01:10 P.M.      **Forum’s Objective Report**  
Assoc. Prof. Dr. Quanchai Leepowpanth  
Chair of the Monitoring Committee, Council of Engineers, Thailand
- 01:10 – 01:15 P.M.      **Opening Remarks**  
Asst. Prof. Dr. Thanee Weerasiri  
President of Council of Engineers, Thailand
- 01:15 – 01:45 P.M.      **Best Practice: Effective Disaster Management in the Recent Earthquake in Thailand**  
Speaker: Assoc. Prof. Tawida Kamolvej  
Deputy Governor, Bangkok Metropolitan Administration
- 01:45 – 02:15 P.M.      **Unraveling the Mystery of Building Collapses: Key Lessons for a Safer Future**  
Speaker: Assoc. Prof. Anek Siripanichkorn  
Member of the Board, Council of Engineers, Thailand
- 02:15 – 04:15 P.M.      **Panel Discussion:**  
**Best Practice Sharing Aiming to Improve Earthquake Resistant- Design Codes and Standards among ASEAN Countries**  
Moderator: Mr. Niwat Thanpitinan  
Monitoring Committee, Council of Engineers, Thailand
- Panelist:**  
**Representative (Expert) from Indonesia**
- Professor Wayan Sengara,  
Geotechnical Engineering, Faculty of Civil and Environmental Engineering, Institut Teknologi Bandung, Persatuan Insinyur Indonesia (PII), Indonesian Engineers Organization  
**Topic:** Some Recent Efforts on Earthquake Disaster Risk Reduction in Indonesia
  - Ir. Iswandi Imran, MAsc., Ph.D., Professor  
Structural Engineering Research Group, Faculty of Civil and Environmental Engineering, Institut Teknologi Bandung

**Representative (Expert) from Myanmar**

- Dr. Soe Myint, Ph.D., P.E.

Consultant & Supervision, Strong Force One Co., Ltd

**Topic:** "The Importance of Earthquake-Related Detailing in Construction: Experiences from the Mandalay Earthquake in Myanmar"

**Representative (Expert) from the Philippines**

To Be Announced

**Representative (Expert) from Thailand**

To Be Announced

04:15 – 04:30 P.M.

**Closing Remarks**

Assoc. Prof. Dr. Quanchai Leepowpanth

Chair of the Monitoring Committee, Council of Engineers, Thailand

**Remark:**

1. The schedule is subject to change.
2. Each keynote session will include a discussion to exchange insights and foster regional collaboration on disaster risk management.
3. Members of the Council of Engineers Thailand (COET) who participate in the forum will receive

**4.5 Continuing Professional Development (CPD) Points.**
